Experience the Amazing Experience Programmes at SUL's exciting new location, Saint Felix School. Nestled within 75 acres of serene grounds in an Area of Outstanding Natural Beauty, Saint Felix offers a unique environment for students to thrive, blending academic and cultural enrichment with the stunning natural landscape.

Located just a short walk from the historic town of Southwold on the Suffolk Heritage Coast, students will explore Southwold's iconic sandy beaches, lighthouse, and charming promenade. The town's vibrant atmosphere is filled with independent boutiques, cultural festivals, and artistic performances, providing endless opportunities for exploration and discovery.

With excellent transport connections, Saint Felix School is easily accessible from nearby cities and airports, making it the ideal location for those seeking a memorable and enriching experience through SUL's Amazing Experience Programmes.

Accommodation	 TRAVEL	London Heathrow (3½ h.), London Stanstead (1h. 45min.)
	    ESSENTIALS	SUL League

SUL's Experience Great Britain programme is more than just an educational trip - it's a journey of personal growth and discovery. With a perfect blend of structured learning and adventurous exploration, students will not only improve their English but also develop independence, confidence, and a deeper appreciation for British culture.

As part of the program, students can choose from three exciting pathways: Debate Club, where they can sharpen their critical thinking and public speaking; British Sports, offering a chance to engage in traditional sports; or Arts and Crafts, where creativity takes centre stage.

Beyond the classroom, students will embark on exciting excursions to some of the UK's most iconic destinations. Visits include the vibrant city of Bristol, known for its rich maritime history and dynamic arts scene; Cardiff, the capital of Wales, famous for its historic castles and modern cultural landmarks; and Lyme Regis, a picturesque coastal town along the Jurassic Coast. And there's more - students will explore even more breath-taking locations across Great Britain, giving them a well-rounded and immersive cultural experience that brings history, nature, and British life into vivid focus.

Hosted at prestigious schools and universities in some of the most scenic and historic parts of the country, students will enjoy top-tier accommodations and excellent facilities. From exploring iconic British landmarks to immersing themselves in local traditions, each day presents new adventures that capture the essence of Great Britain, leaving students with cherished memories and lifelong friendships.

TAKE MOVIE

There's something magical about the phrase, 'They did that in one take.' It conjures images of flawless execution, where every actor, every angle, and every second of the film falls into place with cinematic perfection—or perhaps it's just sheer luck. Either way, it's a moment that captivates audiences!

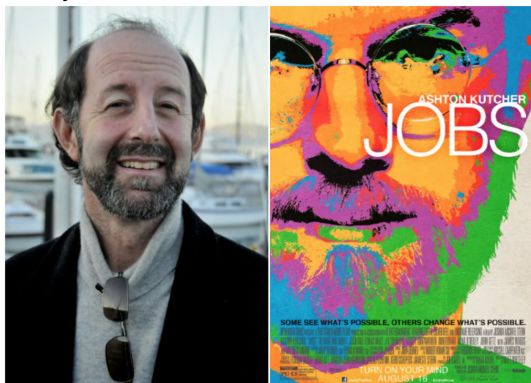

In 2025, SUL will bring that magic to life with our exhilarating 'One Take Movie' program. Designed for aspiring filmmakers aged 12 to 17, this immersive experience offers young creators a rare opportunity to dive headfirst into the world of cinema.

Blending both hands-on practice and essential film theory, students will learn how to work behind the camera, master equipment, and navigate the buzz of a live set, all while gaining a deep understanding of the craft of filmmaking. But the real thrill? By the end of the course, each student will have written, shot, and edited their very own 'One Take Movie', ready for its grand debut on SUL's YouTube channel.

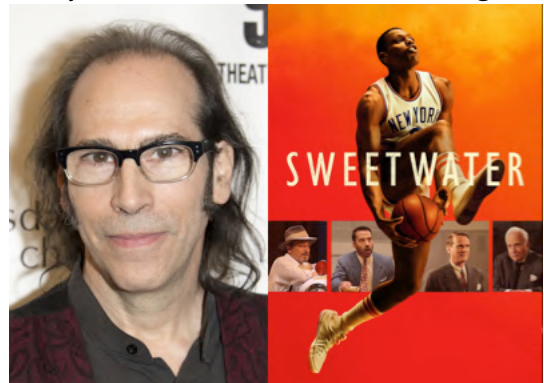

It's more than a course—it's a cinematic adventure where passion meets precision, and the result is a masterpiece captured in just one take!

Programme's ambassadors:

Hollywood Producer - David C. Traub

Hollywood Director - Martin Guigui

Step into the future with our Robotics Summer Lab, where everyday life meets cutting-edge technology in a thrilling adventure of discovery. This extraordinary programme invites young innovators to dive deep into the world of robotics through the lens of our The Amazing Experience Programme.

Collaborating with the renowned Robotics Academy, we've crafted a unique summer experience that blends English learning with hands-on robotics. Perfect for curious minds, this programme empowers students to sharpen their problem-solving skills and explore the fundamentals of programming—all while honing their English language abilities.

Each day, students will have the chance to bring their imagination to life by building their own LEGO robots. These robots won't just sit still—they'll be solving real-world challenges, evolving beyond basic designs as students incorporate advanced concepts and their own creative twists. The possibilities are endless, whether navigating a maze or conquering everyday tasks.

But the excitement doesn't stop there. Each week is packed with action—from exhilarating excursions to thrilling robot challenges. Students will pit their creations against one another in epic battles, tackle obstacle courses, and push their robots to the limit. It's a summer of exploration, creativity, and invention where every child can unleash their inner roboticist.

Spotlight: Drama Class at The Amazing Experience invites young aspiring actors to an exciting, immersive journey into the world of performance at the Saint Felix School's Drama Studio. Designed for students aged 12 to 17, this course offers a hands-on, creative experience that blends theatrical training with real-world film production. Under the expert guidance of seasoned drama instructors, participants will delve into the core elements of acting, including improvisation, character development, voice projection, and stage presence. This nurturing environment is perfect for building confidence, fostering creativity, and encouraging teamwork.

In the inspiring setting of the Saint Felix School's Drama Studio, students will collaborate in group workshops, rehearsals, and creative exercises. They'll develop essential performance skills while discovering the magic of theatre both on stage and behind the scenes.

What truly sets Spotlight: Drama Class apart is its unforgettable finale. At the end of the course, students will star in a professionally produced movie created in collaboration with the One Take Movie programme. This real film production experience gives students the rare opportunity to see their acting skills come to life on screen, adding an exciting cinematic twist to their theatrical journey.

Whether you're dreaming of standing centre stage or starring on the big screen, Spotlight: Drama Class offers young performers a unique chance to explore the world of drama, hone their craft, and create lifelong memories in a truly inspiring environment!

RACING SCHOOL

Introducing The Amazing Experience Programme – 1976 Racing School at Saint Felix School, where young racing enthusiasts can ignite their passion for speed and skill! Designed for daring drivers aged 8 to 17, this programme offers the ultimate opportunity to master race craft and experience the thrill of the track.

From the moment drivers hit the asphalt, they'll be on a journey to improve their skills and race their way to the Junior Pro League, where only the finest racers will compete. Every race is a chance to shine – with trophies for the top three finishers in each class final, and championship points that build towards an epic 2-weeks-end trophy ceremony, where the true champions will be crowned.

With exhilarating events each week, drivers can choose their race dates, pushing themselves to the limit and adding points to their championship tally. Start your engines and get ready for a high-octane adventure like no other!

Beyond the adrenaline of the race itself, the 1976 Racing School offers a full-throttle experience that goes beyond the kart. Drivers will immerse themselves in professional racing techniques, learning from expert coaches who guide them through everything from cornering finesse to overtaking strategy. Off the track, racers can bond with fellow competitors, share in the camaraderie of the sport, and discover what it truly means to be part of a racing community. It's not just a race – it's the start of a lifelong journey fuelled by passion, precision, and the pursuit of greatness.

And the excitement doesn't stop there! The 1976 Racing School is committed to providing a dynamic learning environment where each driver can grow, not only as a racer but as an individual. With a focus on sportsmanship, discipline, and determination, every participant will develop essential life skills both on and off the track. The programme is tailored to encourage confidence, resilience, and teamwork, preparing young drivers to face challenges with a winning mindset. Whether you're aiming for the podium or the thrill of self-improvement, this programme promises an unforgettable experience that will leave a lasting impact.

WELCOME TO THE SUL LEAGUE!

Welcome to the SUL League, a weekly fun competition where earning badges isn't just an accomplishment—it's an Amazing Experience!

These badges are more than just awards; they're a testament to students' dedication, skills, and spirit of teamwork within our vibrant community.

Here's how it works:

The Mission – Join a House, Make History. By completing tasks and challenges, students will score points for their team, pushing them closer to victory in the fierce competition to become the SUL League Champions! As they rack up points, they can also earn SUL badges and prizes! Each SUL badge comes with its unique challenges, but first...

WHICH HOUSE WILL BE YOURS?

Once students are sorted into their House, they will embark on thrilling challenges and activities designed to unlock their potential and allow them to win SUL badges and rewards!

SUL BADGES

SUL Badges are awards students can earn as members of a SUL House. They're not just for show; they represent the hard work and achievements of students as they progress through SUL's Amazing Experience! Each badge is earned by completing a set of requirements, so students should read the rules carefully to make the most of it:
Score Big, Win Big!

TEAM POINTS

As students work towards their SUL badges, every point they score contributes to their team's overall success. It's a thrilling race to see which team can amass the most points, driving everyone to push their limits and excel.
During SUL's Awards Ceremony, held at the end of the week, the team that accumulates the most points will be declared the SUL League Champion, receiving the Goblet of the Sun and an eternal place in SUL's Hall of Champions!
After SUL's Awards Ceremony, all teams' points reset to zero, and a new SUL League begins.

PERSONAL ACHIEVEMENTS

However, the excitement continues beyond team glory. Every point students earn counts towards their personal achievements. This means they're not just star players on their teams; they're also building a stellar reputation for themselves. Each badge they collect brings them one step closer to individual awards and prizes.

During SUL's Awards Ceremony, if a student earns the necessary points, they will be awarded the respective SUL badge(s), and the points relative to that specific badge will reset. Each student can only receive one badge for each category. Points earned after receiving a badge will still count towards the team's weekly results.

If a student comes close to earning a badge, there's no need to worry. Their individual points will only reset to zero every two weeks. However, only the points earned each week will count toward the team's total.
