### Participation

---

Get involved to score! Show your energetic side and get involved in games, songs and activities to score points for your team.

### Social awareness

Respect towards your teachers and classmates is important, and good manners cost nothing. Show these traits to gain points.

Show disrespect, or behave poorly towards the people around you, and you will lose points.

SUL League is a system that helps to enhance the academic and social programmes at SUL, as well as increase the level of students' integration into an academic process, and plays an essential part in educating the ones who are passionate about learning.

The SUL League is an exciting and inclusive opportunity for our students to get involved in a Global Project where students from all over the world compete to become SUL League Champions!
