## WELCOME TO THE SUL LEAGUE!

Welcome to the SUL League, a weekly fun competition where earning badges isn't just an accomplishment- it's an Amazing Experience! These badges are more than just awards; they're a testament to your dedication, skills, and spirit of teamwork within our vibrant community.

### Here's how it works:

Your Mission - Join a House, Make History. By completing tasks and challenges you'll score points for your team, pushing them closer to victory in the fierce competition to become the SUL League Champions! As you rack up points, you can also earn SUL badges and prizes! Each SUL badge comes with its unique challenges but first...

## WHICH HOUSE WILL BE YOURS?

Once you're sorted into your House, you'll embark on thrilling challenges and activities designed to unlock your potential and give you the opportunity to win SUL badges and rewards!

## **SUL BADGES**

SUL Badges are awards you can earn as a member of a SUL House. They're not just for show: they represent your hard work and achievements as you walk through SUL's amazing experience! Each badge is earned by completing a set of requirements, so read the rules carefully to take the most of it:

Score Big, Win Big!

## **TEAM POINTS**

As you work towards your SUL badges, every point you score every point you score contributes to your team's overall success. It's a thrilling race to see which team can amass the most points, driving everyone to push their limits and excel.

During SUL's Awards Ceremony, held at the end of the week, the team which harnessed more points will be declared the SUL League Champion, receiving the Goblet of the Sun and an eternal place in SUL's Hall of Champions!

After SUL's Awards Ceremony, all team's points reset to zero, and a new SUL League begins.

## **PERSONAL ACHIEVEMENTS**

However, the excitement doesn't stop at team glory. Every point you earn also counts towards your personal achievements. This means you're not just a star player on your team: you're also building a stellar reputation for yourself. Each badge you collect brings you one step closer to individual awards and prizes.

During SUL's Awards Ceremony, if you earn the necessary points, you'll get awarded with the respective SUL badge(s) and the points relative to that specific badge will reset. You can only receive one badge for each category. Points received after receiving a badge will still count under your team's weekly results.

In case you got close to earning a badge, don't worry, your individual points will only reset to zero every 2 weeks. However, only the points earned in each week will count for your team's total.
