WELCOME TO THE SUL LEAGUE!

Welcome to the SUL League, a weekly fun competition where earning badges isn't just an accomplishment—it's an Amazing Experience!

These badges are more than just awards; they're a testament to students' dedication, skills, and spirit of teamwork within our vibrant community.

Here's how it works:

The Mission – Join a House, Make History. By completing tasks and challenges, students will score points for their team, pushing them closer to victory in the fierce competition to become the SUL League Champions! As they rack up points, they can also earn SUL badges and prizes! Each SUL badge comes with its unique challenges, but first...

WHICH HOUSE WILL BE YOURS?

Once students are sorted into their House, they will embark on thrilling challenges and activities designed to unlock their potential and allow them to win SUL badges and rewards!

SUL BADGES

SUL Badges are awards students can earn as members of a SUL House. They're not just for show; they represent the hard work and achievements of students as they progress through SUL's Amazing Experience! Each badge is earned by completing a set of requirements, so students should read the rules carefully to make the most of it:
Score Big, Win Big!

TEAM POINTS

As students work towards their SUL badges, every point they score contributes to their team's overall success. It's a thrilling race to see which team can amass the most points, driving everyone to push their limits and excel.
During SUL's Awards Ceremony, held at the end of the week, the team that accumulates the most points will be declared the SUL League Champion, receiving the Goblet of the Sun and an eternal place in SUL's Hall of Champions!
After SUL's Awards Ceremony, all teams' points reset to zero, and a new SUL League begins.

PERSONAL ACHIEVEMENTS

However, the excitement continues beyond team glory. Every point students earn counts towards their personal achievements. This means they're not just star players on their teams; they're also building a stellar reputation for themselves. Each badge they collect brings them one step closer to individual awards and prizes.

During SUL's Awards Ceremony, if a student earns the necessary points, they will be awarded the respective SUL badge(s), and the points relative to that specific badge will reset. Each student can only receive one badge for each category. Points earned after receiving a badge will still count towards the team's weekly results.

If a student comes close to earning a badge, there's no need to worry. Their individual points will only reset to zero every two weeks. However, only the points earned each week will count toward the team's total.
